TIPS: Before cleaning carpet, test product in a small hidden place for colorfastness or shrinkage. When using any product on stain-resistant carpeting or upholstery, check manufacturer's recommendations for use. Do not mix with bleach or any other household cleaning chemicals.

DISPOSAL: Use up or give away excess product . Contains surfactants. Do not reuse container. Empty container may be recycled or placed in trash.

HANDLING & STORAGE: Avoid extreme temperatures. Store in a cool, dry area. Close container after each use. If frozen, thaw and mix before use.

APPLICATION: Formulated with a deep penetrating cleaning action to lift ground-in dirt and soil from carpet, rugs, upholstery and car interiors before or between deep extraction cleaning. Works quickly to remove grease, oil, blood, food, ink, and pet stains. Fresh scent helps reduce lingering odors in carpets. Meets or exceeds manufacturers' specifications for cleaning stain-resistant carpets. Ideal for use as a laundry pre-spotter. Designed for use with all carpet extraction machines.

Directions:

- Act as quickly as possible. The longer a spill is neglected, the more difficult the removal process.
- Apply directly on area as soon as stain is detected
- Allow to work for 2-5 minutes
- Blot area with a clean white towel, always working from the edge of the spill to the center.
- DO NOT SCRUB THE AREA!
- Allow area to dry. To speed drying, apply a ½ inch layer of white paper towels to area and weigh down with a flat, heavy object.
- If stain is not completely removed, repeat procedure
